

# MyiLibrary browser compatability:

Over the past decade MyiLibrary, Ingram's e-content platform, has become an indispensable tool for public, academic and professional libraries around the world offering quick and easy access to a robust collection of digital content. Since its inception, the platform has endured numerous enhancements. In order to maintain the quality performance our users depend on, MyiLibrary will discontinue support of the Microsoft® Internet Explorer 6.0 Web browser effective December 31, 2011.

The following browser is optimized to view MyiLibrary:

**Microsoft Internet Explorer 7.0 & 8.0**

The following browsers are compatible with MyiLibrary but may include non-functioning features:

**Chrome 2 & greater**

**Firefox 3 & greater**

**Internet Explorer 5.5 & greater**

**Safari 2 & greater (Macintosh)**

**Safari 3 & greater (Windows)**

We appreciate your patience and understanding as we continue our commitment to provide the best experience for all users.
